YARDISTRY

Yardistry Pergola Features

Beauty is in the details: Yardistry uses traditional wood joinery techniques and high quality weather-proof epoxies to ensure furniture quality strength and durability.

Snap-on shade cover: Our snap on shade cover is the perfect protection from the sun rays and is a 'snap' to install or remove.

Retractable sun shade: The Yardistry retractable sun shade is ideal for those who want to let the sun in on a cool morning but also want protection from the heat of the noon day sun. Our retractable canopy moves from open to close, and back again in seconds.

Premium material: Engineered from durable tight knotted exterior grade Cedar (Cunninghamia Lanceolata), and finished with a premium water-based stain.

Easy to install: Ready to assemble component system makes Yardistry Pergolas quick and easy to assemble, in most cases pergolas can be assembled in just a few hours. All Yardistry components are pre-cut, pre-drilled and pre-finished.
