

ASMAR WOOD FLOORING
**WINEO LAMINATE
FLOORING**

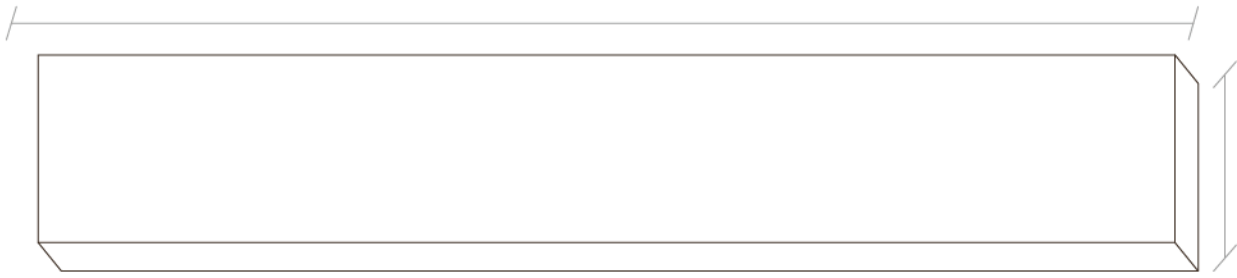

ABOUT

Wineo laminate flooring is made from certified wood from domestic and sustainably managed forests, is plasticiser-free and is harmless to health.

- Fold-down locking system for quick and easy installation
- Registered embossed - wood grains, knots or cracks are accentuated by heights and depths in the surface structure and create exceptional haptics and optics.
- The wineo laminate collection additionally features anti-static properties.
- Suitable for use on underfloor heating
- Easy-care and hard-wearing
- Maximum reduction of footfall and walking noise in combination with a PU underlay mat
